

Usage instructions for logos

Contents

Preferred Partner logo's 3

Dolistore logo's 8

Examples of use 13

Logotype

Use of the Bauhaus 93 typography as the Dolibarr logo.
Change of the D to include the P. Mention Preferred Partner in uppercase at the bottom of the logo.

The logo highlights Dolibarr's D and Preferred Partner's P without creating reading confusion. It is graphically aligned with Dolibarr's logo.

The main logo features the word "Dolibarr" in a dark blue, stylized Bauhaus 93 font. The letter 'D' is unique, with a small yellow dot above it and a yellow 'P' shape integrated into its negative space. Below "Dolibarr", the words "PREFERRED PARTNER" are written in a smaller, yellow, all-caps sans-serif font.

Protection area

The logo can be freely arranged respecting the protection area.

Dark background

The logo can be placed on a dark background only if the white version of it is used.

#998700

#263d5c

Don't

The logo must not be altered as shown below. For specific cases and inquiries, please contact: manon.scoffoni.net

Distorsion

The logo cannot be deformed, flattened or stretched.

Colors

Colors

These colors are used in the logo and can be reproduced on different media (flyer, rollup, website, etc.).

Title

Bauhaus 93

Typography

The Bauhaus 93 typography is used for the Dolibarr part. The D has been modified.

Text

Arial Regular

Typography

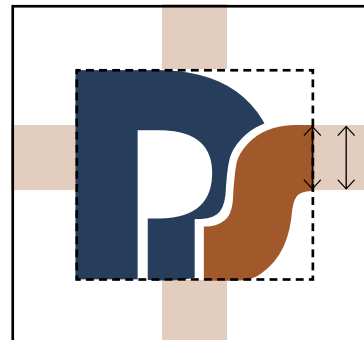

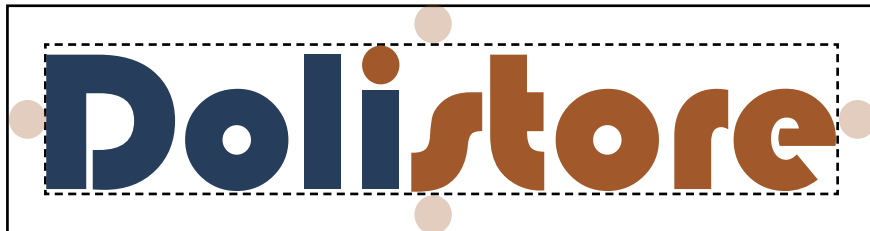

The Arial Regular typography is used for the Preferred Partner part, in uppercase.

Logotype

Use of the Bauhaus 93 typography as the Dolibarr logo.
Creation of a condensed version of the logo

The logo is consistent with the Dolibarr logo and the new Preferred Partner logo. Its condensed version links the D and S of «store».

Dolistore

Protection area

The logo can be freely arranged respecting the protection area.

Dark background

The logo can be placed on a dark background only if the white version of it is used.

#a1592b

#263d5c

Don't

The logo must not be altered as shown below. For specific cases and inquiries, please contact: manon.scoffoni.net

The Dolistore logo is shown horizontally compressed, appearing as a thin, stretched version of the original.

Distorsion

The logo cannot be deformed, flattened or stretched.

The Dolistore logo is shown with individual letters in different colors: 'D' is olive green, 'o' is dark blue, 'l' is light blue, 'i' is dark blue, 's' is brown, 't' is brown, 'o' is light blue, and 'r' is brown.

Color change

The logo cannot contain more than two colors and cannot be changed randomly.

The Dolistore logo is shown with a thick grey outline around each letter, making it look like a 3D or embossed effect.

Outlines

You can't add contours to the logo.

The Dolistore logo is shown centered on a solid olive green rectangular background.

Colored background

The colored logo may not be used on a background other than white.

Don't

The logo must not be altered as shown below. For specific cases and inquiries, please contact: manon.scoffoni.net

Matching tones

You can't use the colored logo on a matching tone.

Logos

You cannot use both versions of the logo in the same place.

Protection area

The logo cannot be placed without respecting the protection area given on page 8.
